On the morning of December 25th our much-loved Landmark Forum Leader and Executive for Asia, Jerome Downes, passed away in Thailand from complications after heart surgery.

Jerome devoted his life to contributing to others through expanding the availability of the programs of Landmark Education, an international training and development company.

Jerome served as a Board Member and was a co-founder of Landmark Education, LLC in various executive and leadership positions for the past 35 years. Through his vision, innovation and leadership, The Landmark Forum was made available in 14 new locations including the Philippines, Thailand, Singapore, Hong Kong, China, South Korea.

With the support of several honored Landmark Forum graduates, Jerome brought the work of Landmark Education to Thailand in 2003.

To celebrate who Jerome is for all of us, Landmark Education invites the graduates of the Landmark Forum to attend a special acknowledgement service in Bangkok on Thursday, Jan 7<sup>th</sup>, 2010 from 7pm – 10pm.  
At The World Ballroom Centara Grand @ Central World.  
Please dress appropriately and no need to wear black.

The family requests that in lieu of wreaths, please contribute and participate in a foundation being formed to fund and launch transformative projects in Asia consistent with Jerome's vision. For details on how you can do this, please contact Susie Sundaranaga at +662-302-7000 extension 293.
